

INTERNATIONAL BUSINESS TRANSACTIONS

Bracewell & Giuliani counsels companies, private investors, financial institutions and foreign governments on a wide variety of international business transactions. We assist clients worldwide from our offices in the United States, Europe, Central Asia and the Middle East. Our team works with importers, exporters, and companies operating or investing in cross-border businesses, helping them structure and negotiate transactions and navigate trade policy, trade-related treaties, statutes and regulations.

Our clients come from many industry sectors, including oil and gas, cement, chemicals, banking and finance, utilities, electric power, telecommunications, information technology, transportation, health care, agricultural products and real estate. Our work includes experience handling cross-border private equity buyouts, privatizations, and mergers and acquisitions. We also specialize in international financings, including transactions involving the Export-Import
