

ADMINISTRATIVE/AGENCY LAW

The rights and interests of our clients are often affected by decisions, actions and regulations of federal and state administrative agencies.

On the federal level, we have been instrumental in crafting solutions for clients before agencies such as the Federal Energy Regulatory Commission (FERC), Department of Energy (DOE), Environmental Protection Agency, Securities and Exchange Commission, Department of Justice, Federal Communications Commission, Department of Interior, Department of Transportation, Department of Defense, Department of Homeland Security, Nuclear Regulatory Commission, Federal Trade Commission, Department of Treasury, and International Trade Commission.

On the state level, we work with agencies such as the Public Utility Commission of Texas (PUCT), other state public utility bodies, and the Texas Commission on Environmental Quality.

Our team of administrative lawyers represents clients on the front lines of the regulatory arena in hearings,
