Bracewell's patent lawyers and litigators enforce our clients' intellectual property rights through mediation, arbitration and litigation. We represent clients in bench and jury trials in state and federal courts nationwide, from preliminary injunctions through trials and appeals before all applicable courts of appeal, including the U.S. Court of Appeals for the Federal Circuit. Our lawyers also have successfully represented clients before the Board of Patent Appeals and Interferences and the Trademark Trial and Appeal Board of the U.S. Patent and Trademark Office.

We handle disputes involving infringement, validity and rights in patents, technology, trade secrets, trade names, trademarks and service marks.
