Bracewell & Giuliani's San Antonio, Texas, office was formed in 1999 as a result of the firm acquiring attorneys who formerly operated as Wells, Pinckney & McHugh, a well-established firm with a strong local and national client base. Building on the firms' combined strengths, the office provides clients with full-service legal counsel, with particular emphasis on labor and employment law, litigation, real estate and water law matters.

Located on the city's scenic Riverwalk, the firm is likewise an integral part of the San Antonio business, cultural and civic communities. For example, the firm represents the NBA's San Antonio Spurs, and other attractions such as Sea World and a number of the Riverwalk hotel properties.
